

Who We Are • The Early Childhood Community Development Centre is a community based, non-profit organization working to help early learning and care providers achieve their goals by offering resources, training, and supports. It is committed to strengthening early learning and care because it contributes to the healthy development of children, the wellness of families, and the prosperity of Niagara. In the 19 years since its creation by local volunteers, the ECCDC has become Canada's leading early learning and care resource, referral, and support organization.

Purpose • For child care programs and providers to be at their best.

How • We do this by making it easier and cost effective for child care programs and providers to obtain the highly specialized products, services, training and technology that child care and providers require.

Licensed Child Care Centre Start Up Information

For new operators we can assist with the development of

- Start-up and operating budgets

- Evaluating program quality and conducting organizational development assessments on three levels — 1. Program Support Services, 2. Program Review Services, and 3. Organizational Reviews
- Environmental design—indoor and outdoor
- Work with the early childhood development and care community to build community capacity

Quality Child Care Niagara (QCCN)

- QCCN is a standardized, research-based approach to program development. This approach is designed to enhance the quality of programs available to each child enrolled in a licensed child care program
- QCCN has strengthened the foundation of licensed child care through high quality child care experiences, developmental programming and outcomes, and child care supports and services throughout Niagara
- QCCN is part of Niagara Region's child care plan
- QCCN has been implemented in approximately 97% of licensed child care programs in Niagara
